

ProCharger® HO Intercooled System for 2006 - 10 JEEP GRAND CHEROKEE SRT8

The ULTIMATE Power Adder® for 06-10 Jeep Grand Cherokee SRT8

ProCharger is pleased to add the 2006-2010 SRT8 Jeep Grand Cherokee ProCharger system to the most diverse line of superchargers and supercharger systems on the planet. High Output Intercooled Systems and Intercooled Tuner Kits are available now, and build on the already solid statistics for the SRT8, featuring the ultra-efficient air-to-air intercooler and upgradability that is hands down the best in the industry. With 160+ HP gain on 7 psi, torque and acceleration numbers are nothing short of amazing.

HO Intercooled System

- The coolest charge air temperatures and largest power gains available
- P-1SC-1 ProCharger, 3 year extended warranty available
- Optional 5 year / 100K mile powertrain warranty eligible (HO System)
- ProCharger's patented and proven, self-contained oiling design requires no external oil lines
- Easiest and quickest installation
- 52 lb/hr fuel injectors and handheld programmer
- Highly effective 3 core air-to-air intercooler – 1000 horsepower capacity
- Available helical gearset for supercharger noise reduction
- System is 100% complete with OEM quality and appearance

HO Intercooled Tuner Kit

- Omits programmer, fuel injectors, and Flowcharger fuel setup
- Otherwise identical to HO Intercooled system
- ProCharger upgrade options: D-1SC, F-1A, F-1D, F-1
